

District 13 B Competitions, opening and awards ceremony February 8/9, 2019

District 13A may also compete on February 8/9, 2019

District 13 A Competitions and opening and awards ceremony February 15/16, 2019

TSTC Harlingen

AS OF 2.06.2019 @ 3:25 pm

The schedule below is a working document. Please be sure to look for your district and the dates that your students will compete in a competition.

Online you'll see District 13 or District 14. This is to accommodate the computer system that produces the tabulation portion of registration. In reality, you are one district with two separate conference, District 13A and District 13B. All Job Exhibits will be judged on the assigned weekend for your conference.

District 13 A – February 15 & 16- Hidalgo and Starr Counties

District 13 B February 8 & 9- Willacy and Cameron Counties

District Officers

There will be 5 district officers from each of the conferences making a total of 10 officers. During summer leadership a committee will determine the title for each officer. Officer applications are on the Texas website, District 13

Officers' test is February 8th. Interviews and delegate session on February 9, 2029

As we draw near your competition dates information will be distributed. Look to the state web page at www.skillsusatx.org, click on district information then District 13

Notice: Only District 13 B is bringing projects on the first weekend.

Contestants should bring their school ID or driver's license to verify who they are. I will ask when awards are done so we have the right person picking up plaques. Advisors should pick up for your students if they are not present.

TSTC Note: Medical Contests please take manikins and equipment PPE
