NUMBER OF TEAMS PER EVENT
- Students may only enter one skill event.
- Each chapter may enter 3 teams in each skill event – Audio Radio Production, Broadcast News Production, Digital Cinema Production and Television Video Production.

INFO ON TRANSPORTATION
- Audio Radio Production and Television Video Production may go to an off campus designated location to record then return to Harlingen High to edit.
- The individual school districts are responsible for transporting their students and providing a chaperone for the off-campus location.
- Be prepared to record outdoors.

TALENT, OBSERVERS AND EXTRAS
- Observers and extras are not allowed.
• The Digital Cinema Production (DCP) competition will record at Harlingen High. Since school is not in session, the only people there will be other SkillsUSA competitors. You may bring one SkillsUSA members per DCP team to use as talent only in DCP. Talent may not operate or hold equipment, direct, edit... All talent for DCP must be registered SkillsUSA members and registered for a District 13 competition (they must have a paid a registration fee as a model, observer or a contestant in another event) and qualify under no pass no play. If you do not bring talent with you, the only talent available will be your DCP team members.

SPECIFIC CONTEST RULES/REGULATIONS
• You can access the Technical Standards from the SkillsUSA membership registration system http://www.skillsusa-register.org/Login.aspx or http://www.skillsusa-register.org/CRC/CRCLogin.aspx
• All contests will follow the SkillsUSA Championships Technical Standards as closely as possible, including updates posted on the SkillsUSA website at http://skillsusa.org/competitions/skillsusa-championships/contest-updates/
• Additional information from the individual contest chairs will be forwarded by email, as the information is available. If you are not on Susan Smith’s email list, please email s.smith@ecisd.us to be added.
• Please print both the specific contest regulations from the SkillsUSA Championships Technical Standards and any additional information emailed from the contest chairs and provide this information to your competitors prior to contest.

EQUIPMENT
• Refer to the SkillsUSA Championships Technical Standards for what equipment to bring to the competition. Do not assume that computers will be available for your competitors.
• NOTE: USB drives will not be provided. Contestants must supply a USB drive with acceptable capacity to hold their contest submission. If you would like your USB returned, please provide a stamped self-addressed envelope for each contestant. Contestants should turn in an envelope with their contest submission.
• Contestants should practice exporting their productions prior to contest. Contestants must be able to export without assistance from other teams or teachers.

RESUMES
• All contests require that each contestant turn in a hard copy of their job resume at the contest orientation.

CLOTHING REQUIREMENT
• All contests will follow the clothing requirement in the Technical Standards for the specific contest. Some contests require the official polo and others require the Official SkillsUSA dress. Please refer to the technical standards.

*** OTHER REMINDERS ***
• No cell phones, text-messaging devices, mp3 players will be allowed at the contest areas except where allowed in the technical standards. Violators will be disqualified.
• Once orientation is over, teams may not receive assistance from a sponsor/chaperone during the competition.
• Sponsors/Chaperones who are escorting the students to the off-site location are required to remain in a designated advisor area at the recording site with the other sponsors/chaperones.
