

Hotel reservations are open for state conference in Corpus Christi, TX 2019.

There is a two night minimum at all of our contracted hotels. A 2 night non-refundable deposit is due when you make reservations. If you make reservations now and you do not cancel rooms that you do not need by March 1st you will lose the deposit. If you cancel on or before March 1st the deposit you paid will be applied to the remainder of your rooms.

25% of our contracted rooms go unused. Schools that reserve rooms ahead of time without knowing how many they will actual use cancel after the cutoff date leaving those rooms empty during our conference. When this happens the rooms are not available to our participants in adequate time to reserve them for their participants. This leaves schools that wait to reserve rooms when they know who will attend without rooms in the area or they are forced to split their participants between several hotels.

DEADLINE TO MAKE RESERVATIONS AT OUR CONFERENCE RATE IS MARCH 11TH

DEADLINE TO CANCEL ROOMS WITHOUT LOSING YOUR DEPOSIT IS MARCH 1ST.
