

Portrait / Studio Lighting

Today you will be demonstrating the Rembrandt lighting affect for the judge. You will be given a tripod mount before entering the studio to attach to the bottom of your camera.

You will be timed, you will have 7 minutes to do the following:

Enter the studio

Mount the tripod

Select your soft boxes

Set / Adjust the settings of the soft boxes on the heads

Give your model direction

YOU MAY SHOOT 3 IMAGES ONLY

Show the judge your best image on the back of the camera, he will record your score

Exit the studio
